STUDENT LIFE

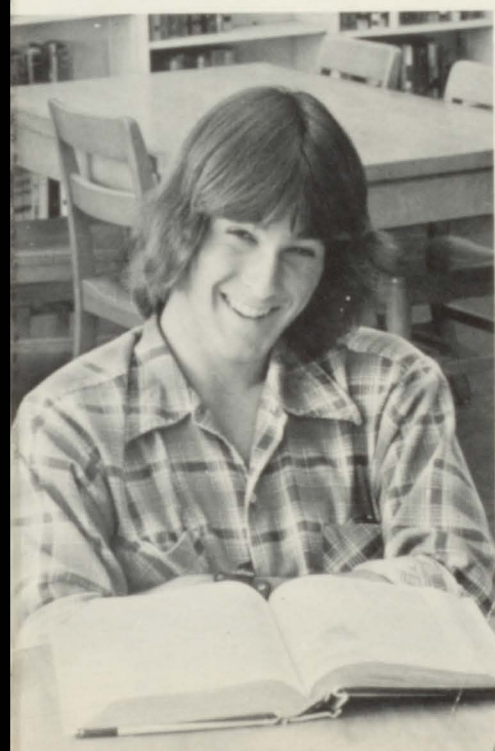

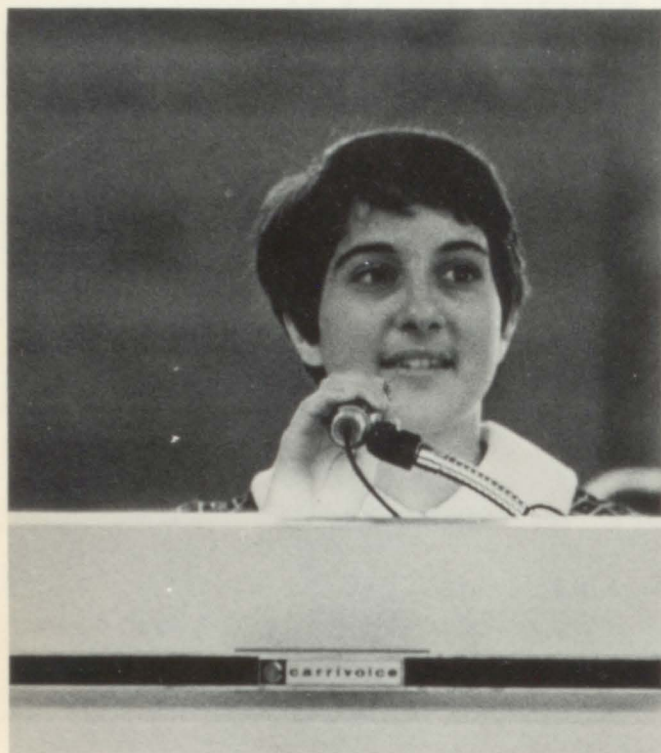

"And tell me, what is my life
without your love?
And tell me, who am I without my
friends by my side?
George Harrison

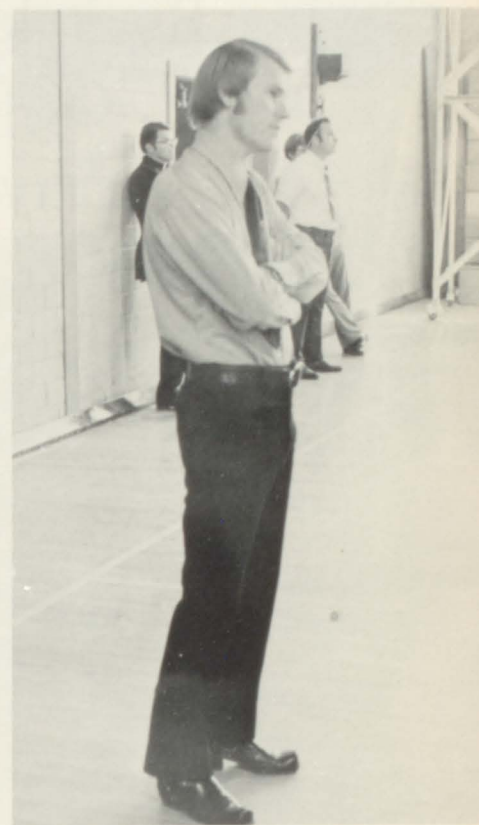

The Students Of Jesuit High School Are All Individuals

Brought Together By A Common

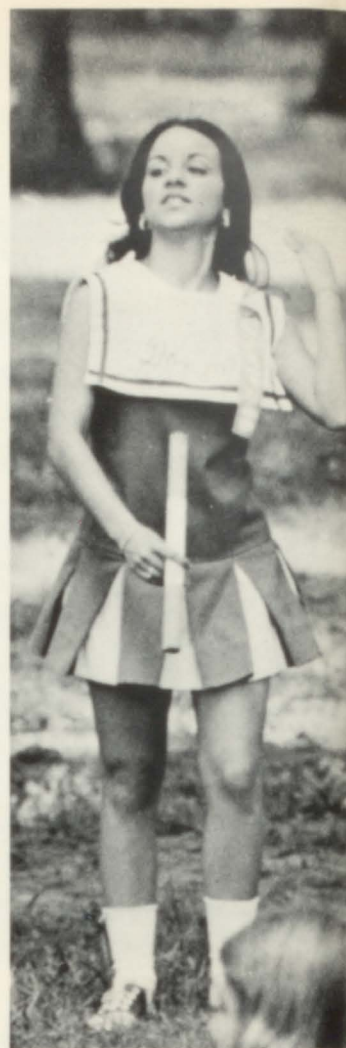

Cause — Self Improvement.

By Taking Advantage Of Jesuit's Vast Array Of Activities

The Students Can Not Only Strengthen Interests — But Also Widen Their

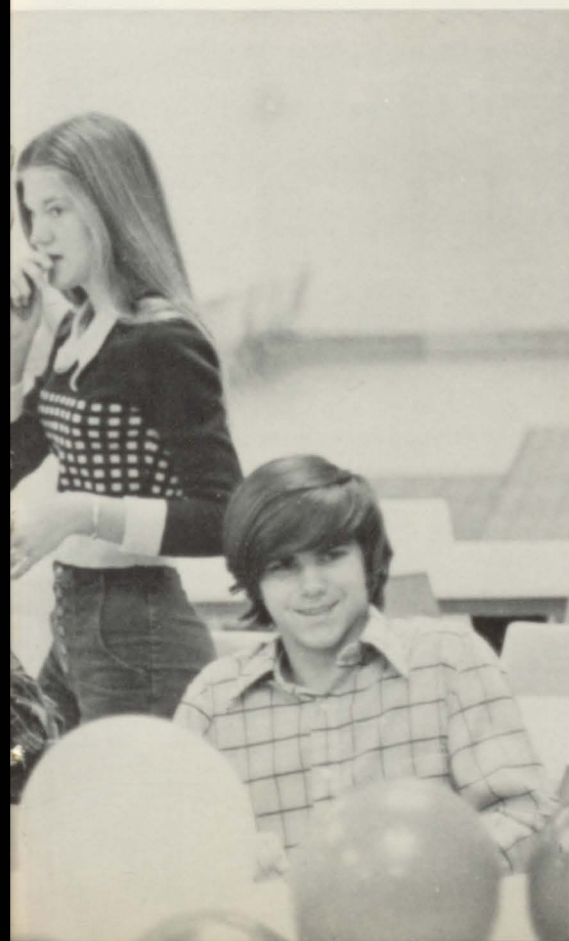

Their Own Horizons

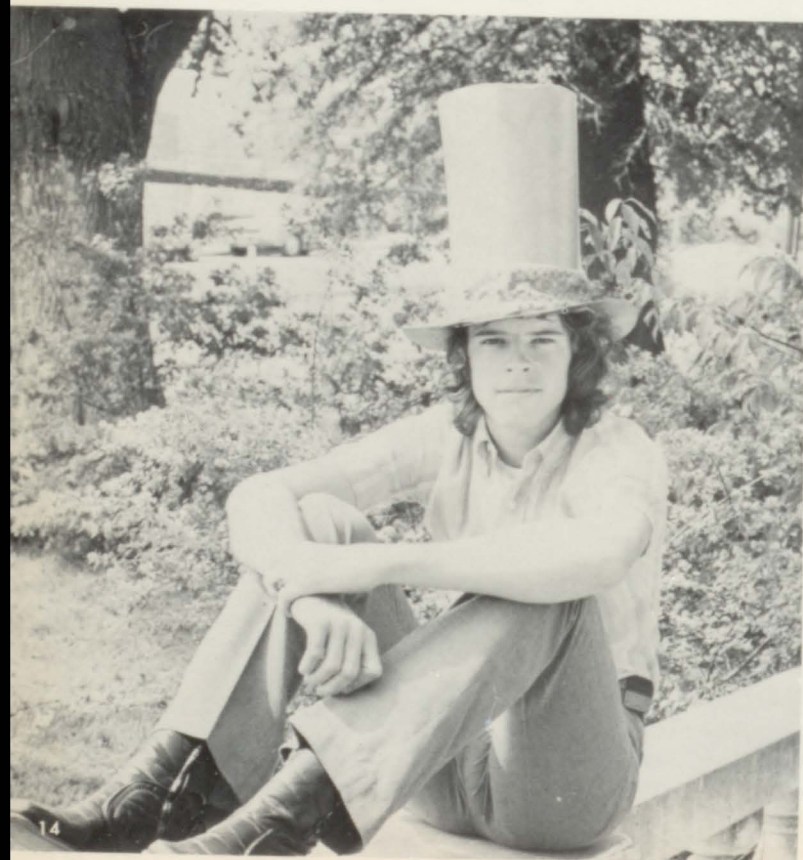

It Is Through
These Activities
That We Mature

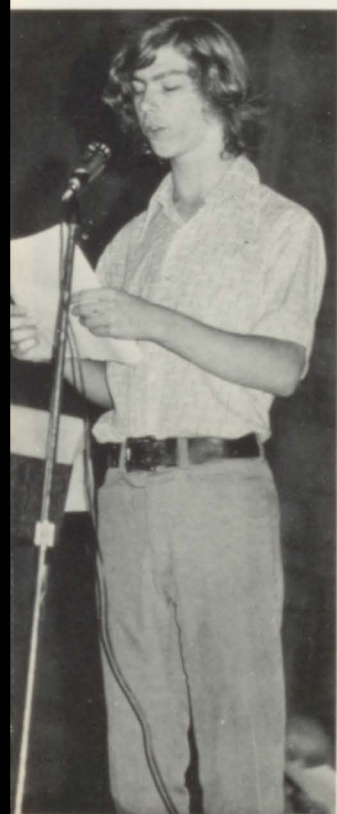

And Show Our

Individualism Through Self-Expression.

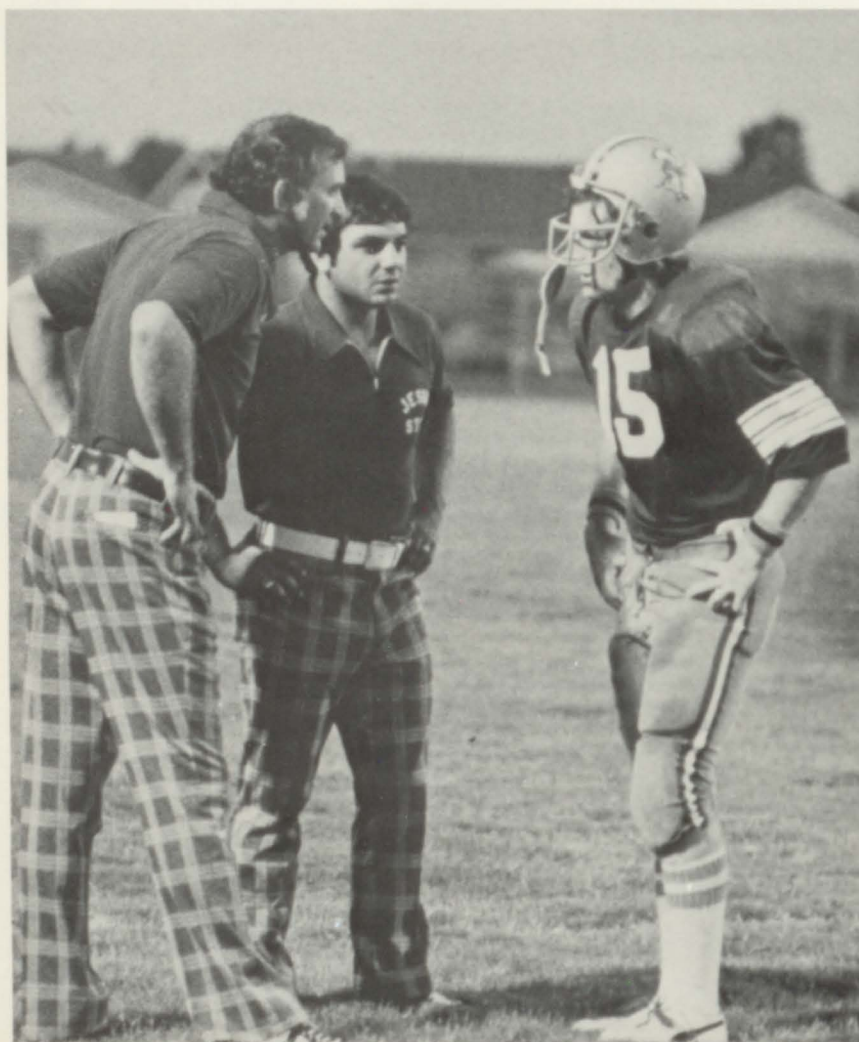

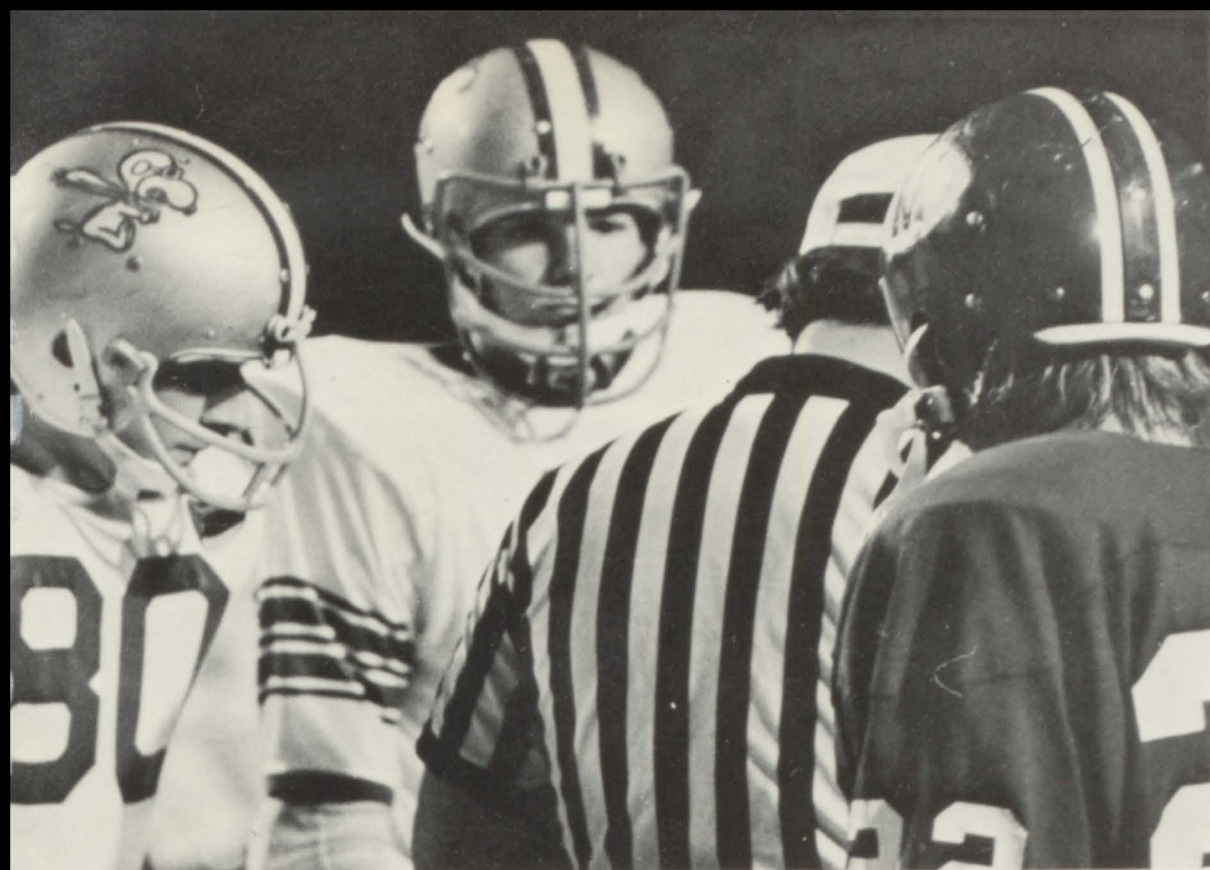

The Teachers And Students

All Work

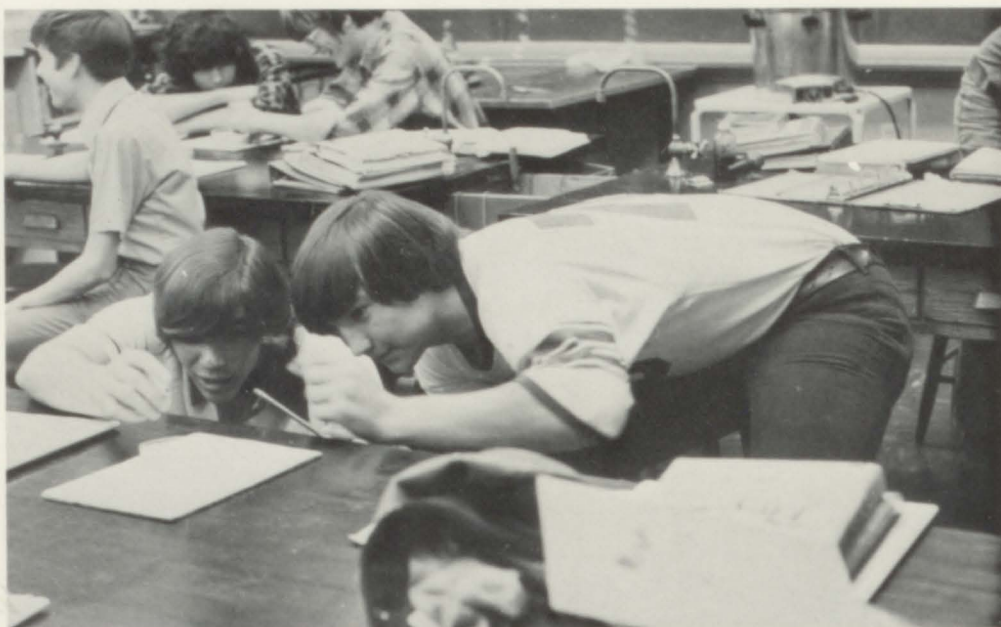

In Unity To Make Jesuit A Better Place

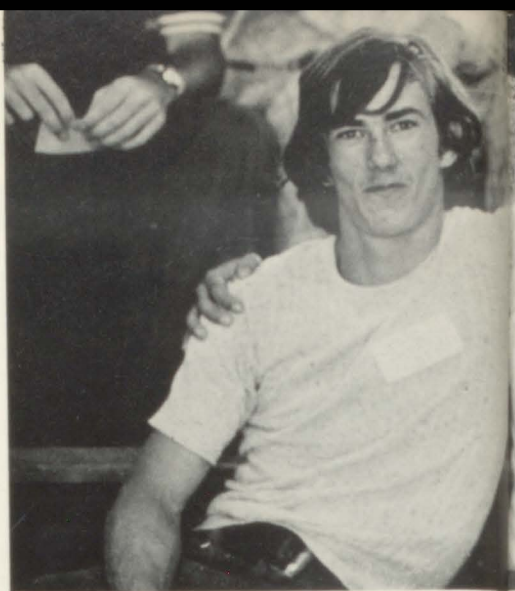

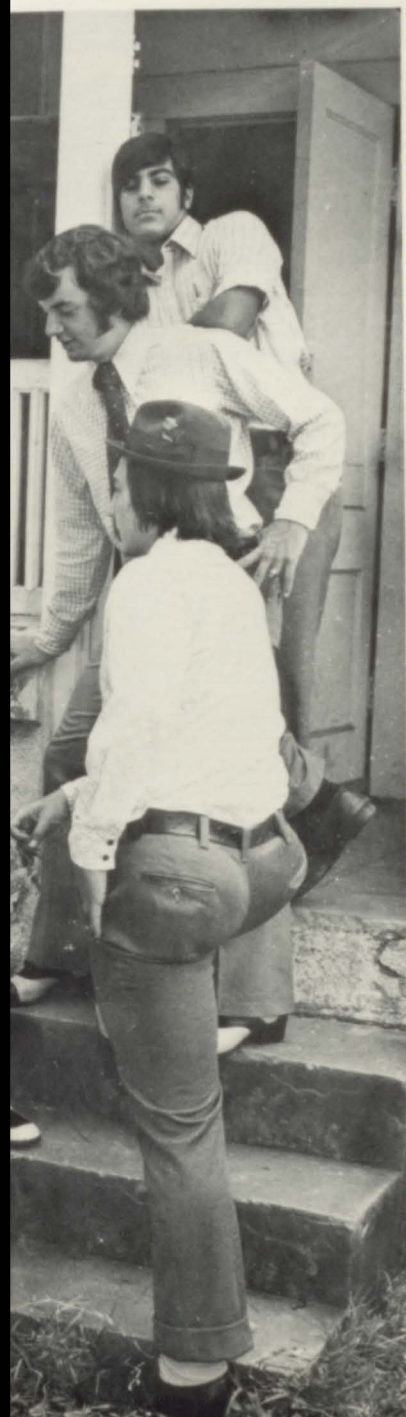

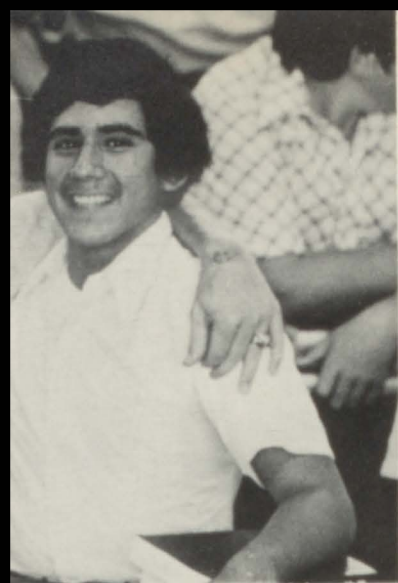

This Unity Among Individuals Allows Us To Learn

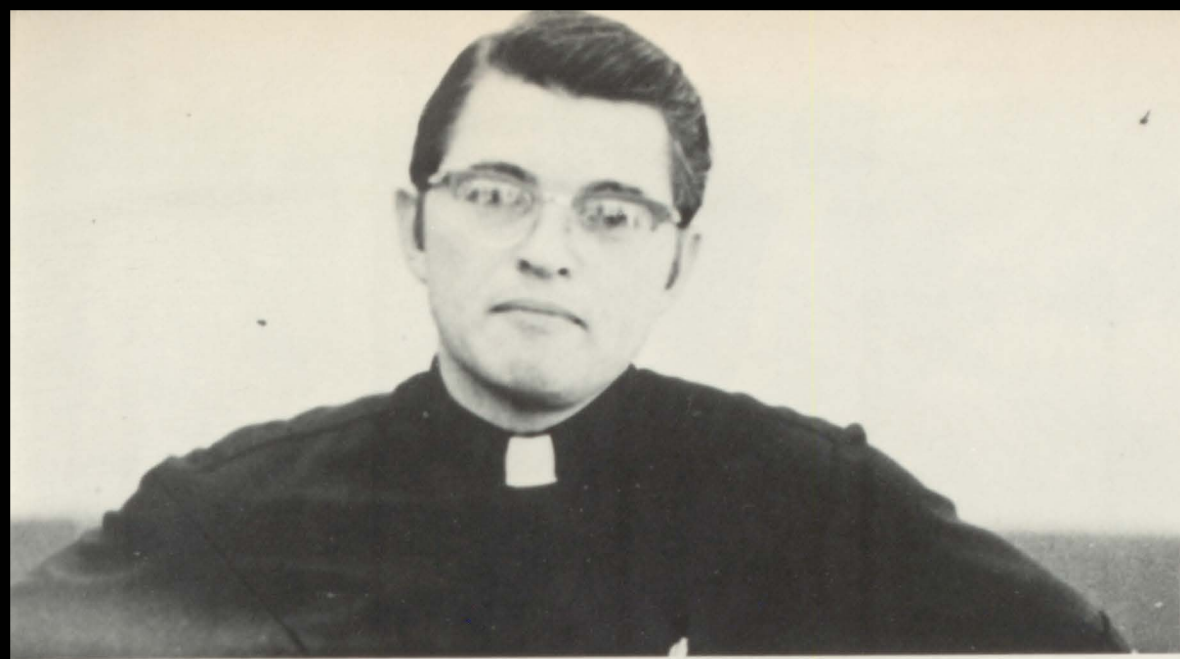

Not Just From
Teachers And Class
But From Each Other

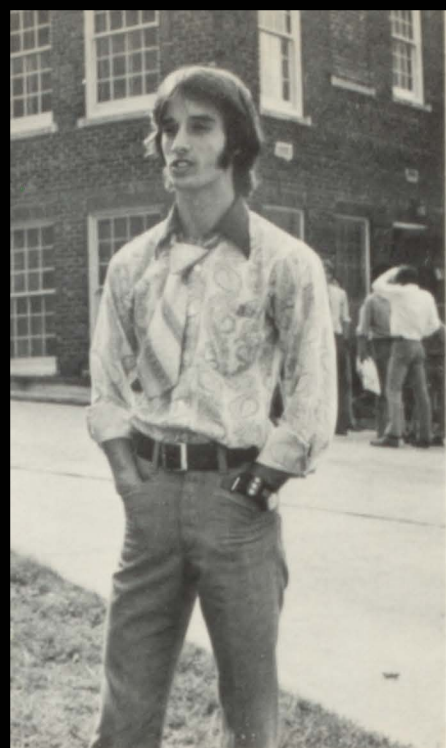

Making Us Wiser
In Many Ways;
And So It Will
Be At Jesuit.

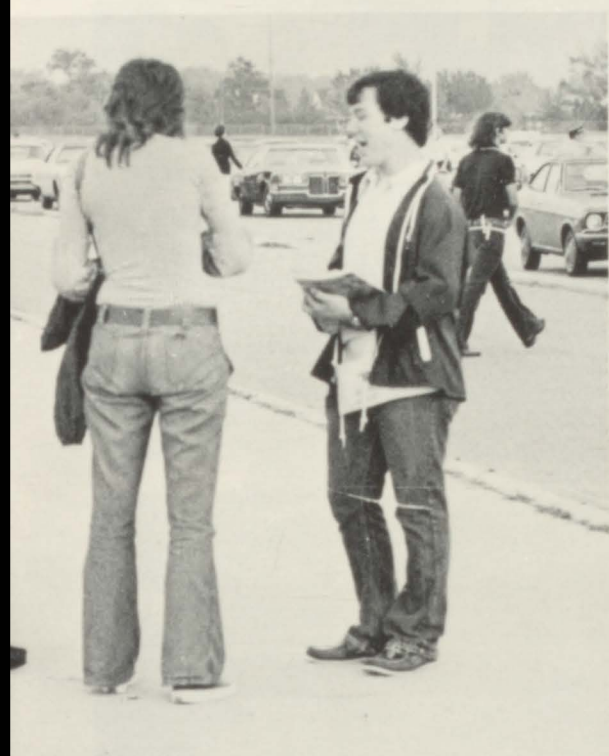

Each Individual
Contributes
Something To
The Whole

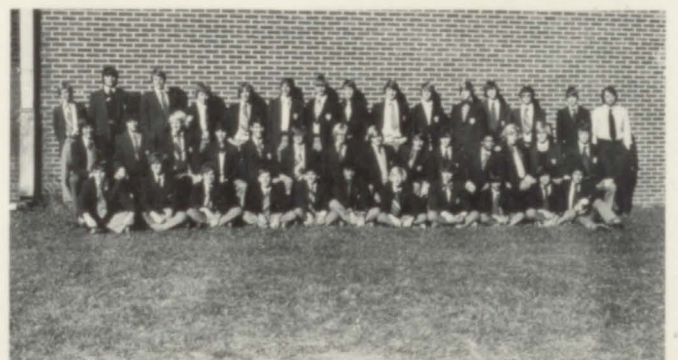

And The Whole, In
Return, Strengthens
Each Individual.

ORGANIZATIONS

"To let oneself be bound by a duty from the moment you see it approaching is a part of the integrity that alone justifies responsibility."

Dag Hammarskjöld

Student Government Association

The Student Government Association has worked with great vigor this year to unify the student body, and instill in each student a sense of pride in Jesuit. Our Student Government ranks as one of the most active in Louisiana.

This year, the SGA sponsored two Student Government weeks, two overwhelmingly popular dances, and a Student Talent Night, portraying the Jesuit Showmen at their best.

The Flight

Some of the most dedicated Jesuit students can be found in the Flight office, grinding away to meet the February yearbook deadline. These talented photographers and layout artists led by Kenny Zadeck and Mrs. Catherine Baker, devote every school day to publishing our yearbook, the Flight. These pages are the fruits of their year-long efforts.

The Flyer

The tradition of fine high school journalism was once again upheld by the 1973-74 newspaper staff. The careful planning of faculty moderator, Mrs. Ely; editor, Ken Kramer; and sports editor, Tim Murray, proved to be well worthwhile as everyone enjoyed reading the meaningful editorials, the humorous columns, and the informative articles written by the students.

Key Club

1973 brought with it one of the most enjoyable Homecoming festivities of recent years. The success of Homecoming '73 was due to the hard work of the Key Club, which sponsors the annual dance and supervises the election of the Homecoming Court.

Sodality

Again this year the Jesuit-St. Vincent's Sodality proved to be one of the most worthwhile community action organizations in the city. Under the leadership of Fr. Folzenlogen, members of Sodality participated in such projects as the Christian Service Program, Poor Man's Supper, March of Dimes, and various other drives around the school.

Drama Club

After the enormous success of last year, many people wondered if the Drama Club could hold up their reputation for excellent stage performances and technical production. This year, the Drama Club strengthened that reputation with two plays seen by over 2,000 people. "Our Town," and "Harvey," drew large crowds and left satisfied audiences, heralding the Drama Club as a success story that is here to stay.

Debate

Although hampered by a shortage of both gasoline and personnel, this year's Debate Team managed to accumulate an excellent record in individual events as well as in Debate. For the third straight year, Jesuit debaters represented the school with success in the annual Tournament of Champions in Ruston.

Members — TOP LEFT, (Bottom Row L. to R.) M. Frohman, M. Burda, B. Stentz, R. Moore. (2nd Row L. to R.) J. Howard, L. Romero, D. Garland, M. Baker. (3rd Row L. to R.) P. Gautier, T. Appleby, J. Frantz, K. Jenkins, D. Galidas. (Back Row L. to R.) S. Moore, T. Murray, S. Appleby, K. Kramer, E. Loch.

Officers (L. to R.) H. Jennings, Vice-President; T. Williams, Secretary; L. Meier, President.

Language Clubs

Jesuit's scholastic interest in the foreign languages is personified by the members of the French and Spanish Club and Latin Club. Although not involved in year-round activities, the clubs represent Jesuit in contests held in the Shreveport area.

(Latin Club Members) — (Seated, L. to R.) Jimmy Randal, Jim Howell, Kim Taylor, John Hamm, John Terracina. (2nd Row, L. to R.) Mike Petrofes, Eddie Garner. (3rd Row, L. to R.) Photographers

The quality of Jesuit High School's yearbook and newspaper depend on the amount and type of pictures that are submitted to them. This year's photography staff is headed by junior Steve Skrivanos. Keith Todaro and Charles Coutret also man the cameras for the Flyer and the Flight with the help of their capable staff.

Attitude. If one word could possibly describe the 1973 Jesuit Blue Flyers, this would be the word. Virtually unheralded at the beginning of the season, the Flyers showed their strength by compiling a 5-1 district record, thus gaining a share of the 1-AAA district crown, along with North Caddo, a team which the Flyers crushed 38-6.

Before the season, Jesuit fans were hoping for a .500 season at best. The Flyers fulfilled these wishes with an overall record of 5-5, a record which fails to tell the whole story.

In the season opener, the Flyers traveled to Airline Stadium to take on the highly ranked Airline Vikings. In a tough defensive battle the Flyers lost 6-3, managing only a field goal off the toe of Bud Jackson.

Next, the Flyers took on Fair Park and Jack Witte. Throughout the game, Witte became extremely well acquainted with the rush of Sibley, Cordaro, Gehl, and Guillot but still managed to pull it out in the final minutes of play. The result: Indians 13, Flyers 7.

The Flyers opened their district season against Haughton and easily handed the Bucs a 15-8 defeat. Next came arch-rival Bossier, a non-district game. This wasn't the Flyers' night for offense as a tough Bearkat defense shut them out, winning 7-0. However, the next week the offense came back with a bang, as quarterback Al Cannon threw for three touchdowns, two of them to Bill Haynie, as the Flyers trounced Northwood, 20-0. For the first time in the school's history, the Flyers played Webster of Minden, a district foe, in the next game. The Jordan street bunch blasted the Wolves 28-0, as the only thing Webster had on its side was a flashy announcer. Next came the big one. Two undefeated district 1-AAA teams clashed at Captain Shreve Stadium for the district title. The Game of the Century? The Flyers annihilated North Caddo, 38-6. Next the Flyers defeated Minden to insure at least a tie for the crown. In the last game of the regular season, the Flyers lost to Springhill, thereby being forced to share the district title with North Caddo, retaining a playoff berth.

For the first time in four years Jesuit was in the playoffs. However, they didn't stay long. In the first game, the Flyers were knocked off by a strong, quick Carroll team by a score of 26-13. It was a typical Flyer game, as the Big Blue never gave up until the final horn.

Basketball

Someone once said, "It's not whether you win or lose, it's how you play the game." Well, the 1973-74 Flyer roundballers didn't win too many games, but they showed a lot of determination and hustle. Most importantly, they tried. No one can take that away from them. An athlete can do nothing more than give 100%.

The Flyers started off with a bang, placing 3rd in the Springhill tournament. After that, there were few bright spots in the season. However, with spirited students behind them, the Flyers did manage to win several games. The team, consisting of Carl Calender, Pat Boose, Robert Pou, Arthur Carmody, Hal Wright, Les Jones, Bert Ferris, Tim Dillard, and Clement Fox, had to fight for everything they could get, and under the direction of rookie coach, Jerry Carlisle, they exhibited signs of good sportsmanship, which comes from good coaching.

Throughout the season, the Flyers were paced by Leslie Jones and Hal Wright, who both finished among the top scorers in District 1-AAA.

Cheerleaders

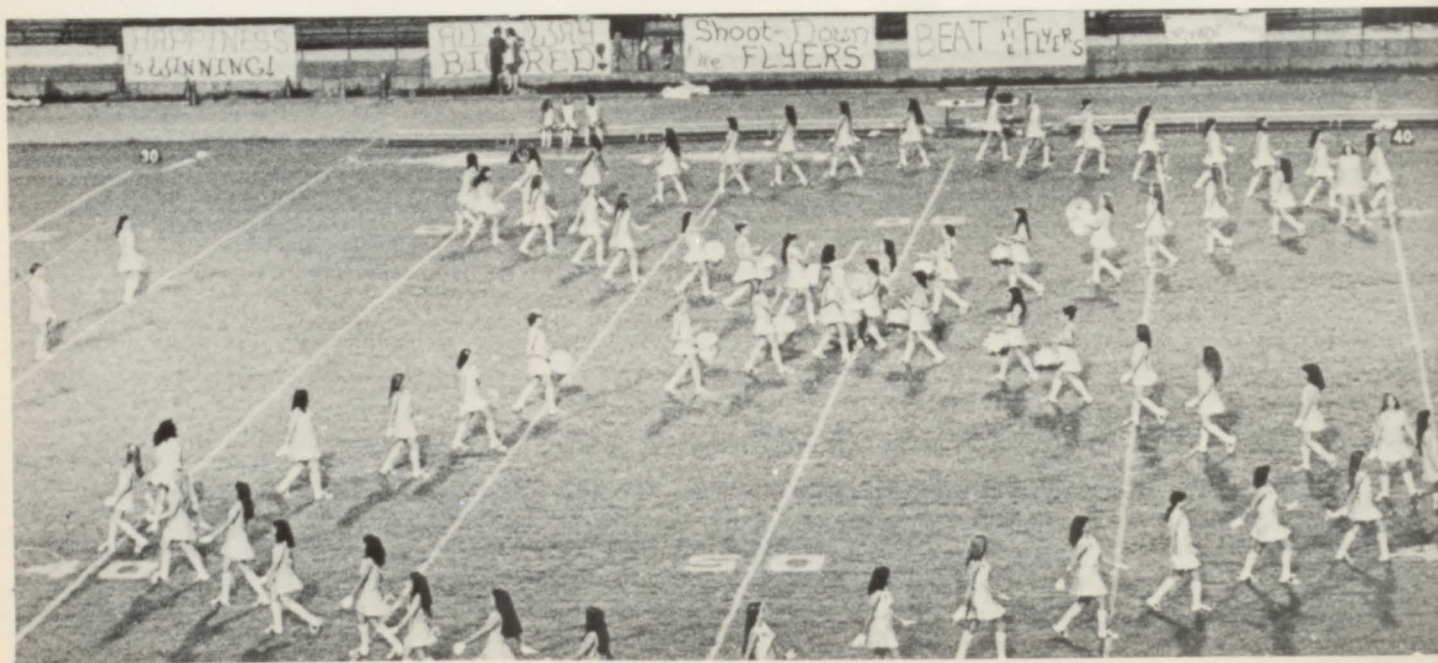

Behind every successful football team, there is an enthusiastic group of cheerleaders. The 1973 Flyer Cheerleaders, as chosen by the student bodies of Jesuit and St. Vincent's are (Clockwise from Upper Left) Juniors, Pam Steinman, Elizabeth Watts, and Sharon Dixey. Seniors, Donna Lewis and Head Cheerleader, Kim Campbell.

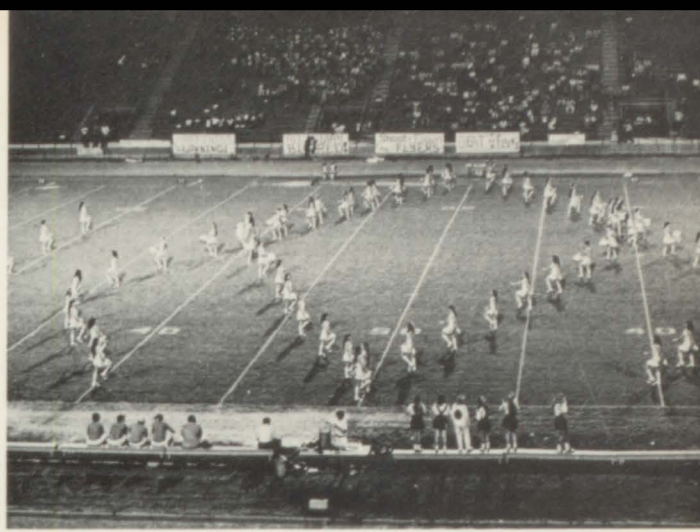

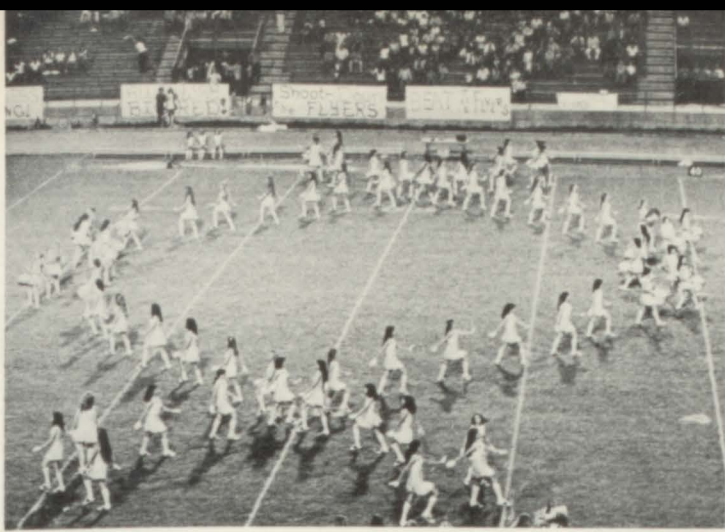

Marching And Pep Squad

Practice begins at 8:00 A.M. one hot August day. Sound like the football team? Well, it isn't. It's the St. Vincent Marching Squad, beginning many weeks of practice, which culminate in entertaining half-time shows throughout the football season. Not only does the Marching Squad perform at half-time, but also it combines with the freshman Pep Squad of S.V.A. to cheer the team on throughout the game.

Style Show

The Jesuit Mother's Club is an organization that works as hard as any other at Jesuit and receives less credit. The annual Style Show grossed over \$2,000 which was donated to the school. The Mother's Club also finances the Jr.-Sr. Prom and the Senior Banquet at the end of the year.

To foster a spirit of brotherhood among the seniors and freshmen, the S.G.A. created the "Big Brother" program, in which each senior took a freshman "under his wing."

Our Town

For its first production of the season, the Drama Club staged the Thornton Wilder classic, *Our Town*, a play that traced the life of young Emily Webb. Emily and her family lived in the small town of Grovers Corners, New Hampshire, around the turn of the century. Wilder spans the range of human emotion in this three-act drama which emphasizes the importance of the seemingly insignificant moments of man's life on earth.

The performance was critically acclaimed as an outstanding endeavor and over 800 people attended, making *Our Town* the most successful Drama Club production to date.

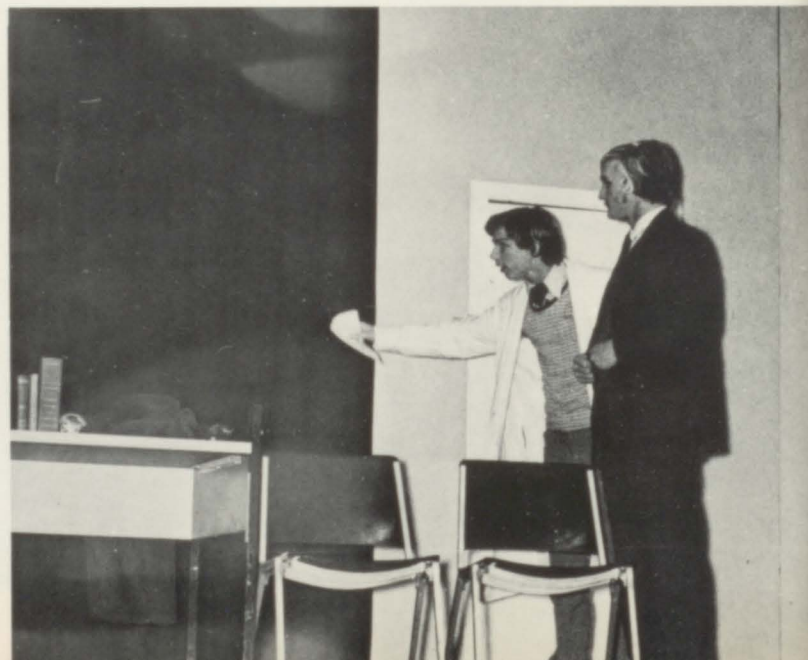

OPPOSITE PAGE CLOCKWISE, FROM UPPER RIGHT: The stage manager (Scott Appleby) explains the last scene of *Our Town* to the audience.

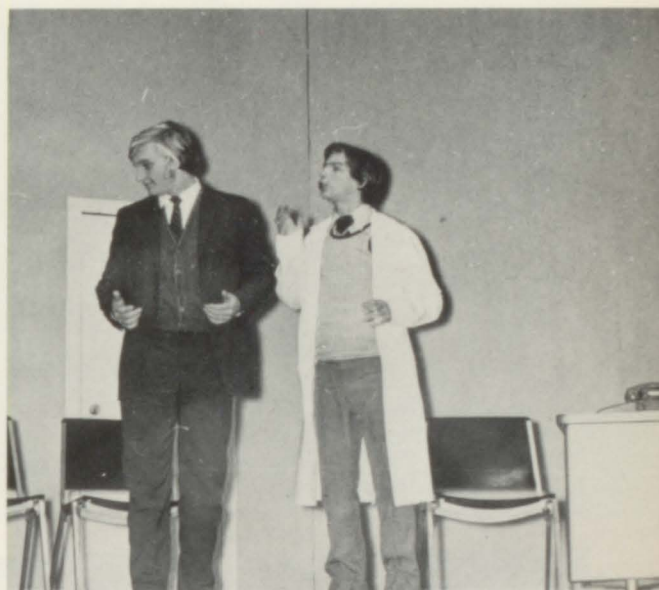

The stage manager pauses during his explanation of the play. George Gibbs (Mark Nowery) tries to make up to Emily Webb (Nell Shehee) after upsetting her. Simon Stimson (Tim Murray) and Constable Warren (George Tomkies) listen to Mr. Webb's (Byron Richie) story before retiring for the night.

THIS PAGE CLOCKWISE, FROM TOP: Simon Stimson and Mrs. Gibbs (Adrian Cautier) are among the dead sitting in the graveyard in Grovers Corners. Sam Craig (Robert Ferdieu) visits his Aunt Julia's (Mrs. Gibbs) grave in the cemetery before Emily's funeral. Sam Craig and Joe Stoddard (Chris Ward) meet after Sam has returned to Grovers Corners for Emily's funeral. Mrs. Webb (Diane Andries) looks up to heaven as she ponders her daughter's marriage. Doc Gibbs (John Minto) and his son George, discuss a discipline problem concerning George and his mother.

The St. Vincent's Academy Drama Club combined with the Jesuit Drama Club to stage the second production of the year, *Harvey*, a comedy about a man and his best friend, an invisible six-foot rabbit. Elwood P. Dowd and his friend Harvey create much confusion both in their home and at the psychiatrist's office, where they find that Elwood's sister has been committed to a mental institution by mistake.

OPPOSITE PAGE CLOCKWISE, FROM UPPER LEFT: After giving Nurse Kelly (Paula Paikowski) some flowers, Elwood P. Dowd (David Hewitt) attempts to win her favor by using his usual kindness. Elwood discusses old times with his dear friend, Ethel Chauvenet (Mary Burns). Dr. Sanderson (Tim Williams) explains the ins and outs of life at the sanitarium. Myrtle Mae Simmons (Adrienne Cautier) shows her disgust at the bumbling Dr. Chumley (Ed Wilson). THIS PAGE CLOCKWISE FROM UPPER LEFT: Dr. Sanderson timidly listens as Dr. Chumley throws a fit of anger at Sanderson's mistake of committing the wrong person. Elwood attempts to introduce his invisible rabbit, Harvey, (sitting in the chair) to Dr. Sanderson. Dr. Sanderson displays his anguish when he finds that Nurse Kelly has once more committed the wrong person. Elwood talks things over with Mrs. Chumley (Kathy Horne) about her husband, the doctor.

Faculty Vs. Dirty Dribblers

As it's last project of the first semester, the S.G.A. sponsored a basketball game between the Jesuit-SVA faculty, and the KEEL Dirty Dribblers. Through the generosity of the Dribblers and the hard work of the faculty, the S.G.A. was able to donate ninety dollars to Sr. Margaret's Christmas fund.

HONORS

If you achieve success, you will get applause, and if you get applause, you will hear it. My advice to you concerning applause is this: enjoy it but never quite believe it.

Flyer Of The Year

Flyer Of The Year

Every school has its leaders. The young men pictured on these pages are the six most outstanding seniors of Jesuit High School, as picked by the faculty. Throughout his four years at Jesuit, each Flyer of the Month has shown an extraordinary amount of leadership to his fellow students. Of course, one of these men is a leader among leaders. That man is the Flyer of the Year.

1973 produced the greatest football team in recent Jesuit history. Seven individuals were named to the All-District 1-AAA team. Al Cannon, quarterback for the Blue Flyers, led the team to their first playoff berth in four years. Junior Chet Chandler barely missed the 1000 yard mark this year and provided the Flyers with a dangerous running attack. Chet also was voted to the sports writers' All-City team. Chris Sibley and Roy Cordaro made the team twice, on offense and defense. Speedster Bill Haynie and sure-handed Randall Hermes were outstanding receivers for the team.

Rocky Guillot earned All-District, All-City, and All-State honors. It was Rocky's inspiring determination and hard work that led the Flyers to a district championship and merited his selection as Outstanding Defensive Player in 1-AAA.

The coveted trophy, shown at right, is the result of this team's spirit and dedication.

Class Officers

The foundation of the student body of any school is the individual class. Each technical class at Jesuit selects its own group of officers to lead the class in its activities. National Honor Society

The school year 1973-74 was a very productive one for the Jesuit High School National Honor Society. Under the direction of faculty advisors, Fr. Bannin and president Glenn Robicheaux, the NHS combined with the St. Vincent's NHS to hold College Night, which proved most helpful to all. Also, for the first time in the school's history, the NHS sponsored an organizational banquet, honoring members of the respective school organizations.

Boys' State

Jesuit High School sent four of its leading seniors to the Boys' State Convention this last summer. These were (Seated, L. to R.) Robert Pou, Glenn Robicheaux. (Standing, L. to R.) Scott Appleby, and David Looney.

National Scholarship Winners

Every year high school students from all across the country take the National Merit test. On the basis of their scores, certain students are honored by being named as finalists in the scholarship competition. George Tomkies (Upper Right picture L. to R.) a senior at Jesuit, was honored by being chosen as a finalist in the National Negro Achievement Scholarship competition. George was selected from students all across the nation on the basis of merit.

This year Jesuit is fortunate enough to have two of these finalists, Bill Haynie and Glenn Robicheaux.

City News Reporters

The city newspaper correspondents have the all-important job of telling the city about the happenings of Jesuit High School. It's their responsibility to let the city newspapers know when Jesuit High School has elected various officers or participated in some worthwhile community project. These two reporters (Middle Left picture L. to R.) are Mark Nowery (Times) and Johnny Manno (Journal).

New Faculty Members

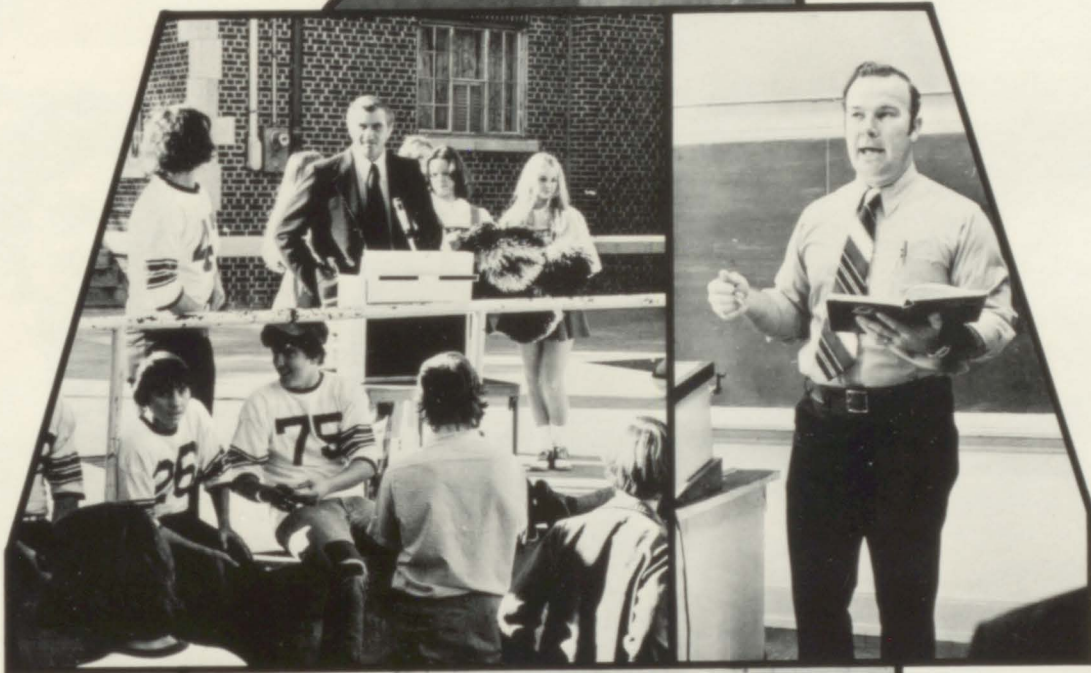

New members of this year's faculty, (as pictured from R. to L.) are Brother Walsh, Library Assistant; Mr. DeFatta, Instructor in Physical Education and Freshmen Basketball Coach; Mrs. Burgess, Instructor in English and World History; and Mrs. Griffin, Instructor in English. Not pictured is Mrs. Rubenstein, Instructor in Algebra.

FACULTY

Jesuit High School is not a building, nor a congregation of classes, books, and studies. It is not molded by its extra curriculars nor is it kept alive by its athletic program. Jesuit High School is simply a handful of professional men and women, dedicated to the betterment of the students who attend this school.

Seniors '74

The purpose of the institution of Jesuit High School, as stated in the 1973-74 catalogue, is to make the student aware of the realities about him. This awareness includes three outstanding qualities. "First, a profound realization of the essential goodness of creation and the divine love of God creation reveals; secondly, the development of a deepening sense of reverence for all the works of man; and lastly, a desire for a more courageous response to the challenges of our modern society."

The administrative staff of Jesuit function in such a way that these qualities can be instilled in each individual student. It is through the cooperation between the administration and faculty that each student is able to progress towards the attainment of this new awareness.

While the faculty strives to educate the Jesuit student for the betterment of society, the maintenance crew of Jesuit allows him to concentrate entirely on the fulfillment of these expectations by providing an environment conducive to learning. These dedicated workers are vital to the physical operation of the school. It has been said that we really never fully appreciate the importance of anything until we are without it.

The Jesuit Maintenance crew provides a learning atmosphere that is functional, yet comfortable year round, enabling the student to concentrate on his work.

The Math and Science Departments of Jesuit High School have traditionally produced some of the best equipped students in these fields in Northwest Louisiana. This fact points out the quality of the courses offered and, more essentially, the skill of the teachers in charge of these subjects. Each student is offered an opportunity to study four sciences and four mathematics. Algebra I, Geometry, Algebra II, and Trigonometry and Calculus all combine to provide each graduate with a strong foundation for college in any field in which he might endeavor. Introductory Physical Science and Biology are offered the first two years with a Physics or Chemistry option open the third and fourth years. Chemistry students from Jesuit usually rank above all others in a comprehensive exam sponsored by the American Chemical Society. Jesuit High certainly provides each graduate with the knowledge and technique sought after in college and job recruiting.

To become a complete person and to be able to compete in today's society, a person must be mentally as well as physically developed. Physical Education was the goal of the glorious Greek and Roman societies of long ago, as it is one of the goals of Jesuit High School. A wide variety of sports activities, such as football, basketball, soccer, softball, and weightlifting are offered to the student in physical education classes. In addition to these, a well-organized intramural league allows an individual to compete in intra-school athletics.

Typing is often of more value to the college bound student than one realizes. The ability to organize and type reports neatly is a valuable skill sought after in many colleges and businesses.

The language department at Jesuit serves two main purposes: to instruct the student about other ways of life and to give the students a better background in vocabulary. The Latin classes at Jesuit concentrate on giving the students a knowledge of the language on which most of the languages of the world are based. The French and Spanish classes at Jesuit instruct the students in the language of foreign lands and the study of their cultures.

The English department attracts many young, dedicated teachers to the purpose of instructing students in English grammar, American, English and World Literature. Creative writing is stressed throughout the four years to prepare the student in methods of expressing himself to others. Nothing can be of more importance than expressing oneself in today's society. In a society which often neglects the individual, expression of one's ideas is of utmost significance in succeeding in one's chosen field.

One of the most unique aspects of the Jesuit High curriculum is the theology department which contributes immensely to the completion of the goals set by the Jesuit fathers. These versatile courses offer an opportunity for Christians to explore and question their religious convictions. The openness of the courses allows freedom in dealing with any questions raised in class discussions. During the freshman year, students are exposed to ideas and opinions which may assist them in settling down and resolving any unanswered questions about their faith. The sophomore year introduces the student to himself, through a realization of the motives and influences which control his life. The problems and trials of the adolescent are dealt with. A study of the world's religions is taken up in the Junior year. Finally, in the fourth year, the student is involved in social work, such as tutoring and day-care. These courses inspire each individual student to courageously respond to the challenges of today's society.

Throughout the study of history, man not only sees where he has been, but also where he is going. The social studies curriculum at Jesuit includes the study of Civics, American History, and World History. Each course fulfills its goal of developing a sense of reverence for the works of man by explaining the customs and histories of civilizations past. Civics reminds us of the heritage left to us by our Founding Fathers and the background of the laws and democratic system of government we are familiar with today. American History reveals the growth of a few scattered settlements in the sixteenth century, into the greatest nation on earth. And lastly, World History treats the passage of time from 3 Million years ago until the present in a concise volume of important events.

A mind can blow those clouds away
after all these years my love here must be leaving
It's not always going to be this gray

**Our equipment
does some of its best work
in the dark.**

Nighttime is a good time to water your grass. With a top quality lawn sprinkler system designed and installed by Fleming, you just SET IT . . . AND FORGET IT. It automatically does your work for you — night or day.

You will appreciate Fleming's sprinkler installation almost as much as your grass will. Its low-cost convenience plus design by a qualified professional engineer make it ideal for lawn beautification. Each Fleming installation is fully protected by warranty and tailored to your specific job.

So . . . when you think of irrigation . . . think of Fleming. Our best advertisements are sprinkler systems we have already installed. Call Richard Fleming at 865-7253 for details and for estimates on any irrigation project you plan.

WELL WE DID IT! WE'RE NUMBER 1! I-AAA STATE CHAMPIONS! JESUIT FLYERS! This is the way it was.

The 1974 Jesuit baseball team ended its regular season with an overall mark of 12-5. The Flyers finished second in their district with a 9-3 mark. By doing this, they were allowed to go on and compete in the state playoffs which was to become a great success.

In the opening game of the season, the diamondmen downed Haughton by a 3-0 score. Chris Sibley pitched a fine game, producing a no-hitter. In the next game, Jesuit defeated Parkway in a non-district bout, handing the Panthers a 6-3 loss. This was the first game that junior Les Jones had started and he pitched a fine game.

Northwood discovered the mighty Flyers and the powerful fastball of senior Chris Sibley too late, losing by a 4-1 score. Junior Chet Chandler went 3 for 4 to lead the Jesuit offense. In the next game, Jesuit destroyed Byrd, scoring 12 runs to their 3. Les Jones had another good day pitching and Chet Chandler and Arthur Carmody each had homeruns. Chandler drove in 4 runs with 2 hits. David Looney and Webb Sentell both hit triples to add to the attack.

In the season's 5th game, the Flyers travelled to Springhill where they clobbered the Lumberjacks 11-1. Leslie Jones struck out 5, while walking only one. Robert Pou had 3 RBI's and Art Carmody had 2 hits and 2 RBI's.

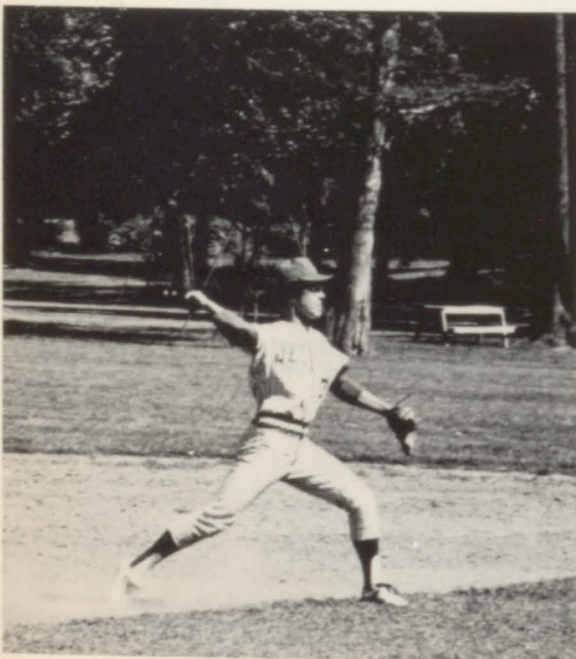

In the next game, Jesuit played Minden in a battle of the I-AAA leaders. The Tide got lucky and defeated the Flyers 7-5. Chet Chandler had a good day with a homerun and 4 RBI's. The Big Blue recovered, however, and came back to give North Caddo a 7-5 loss.

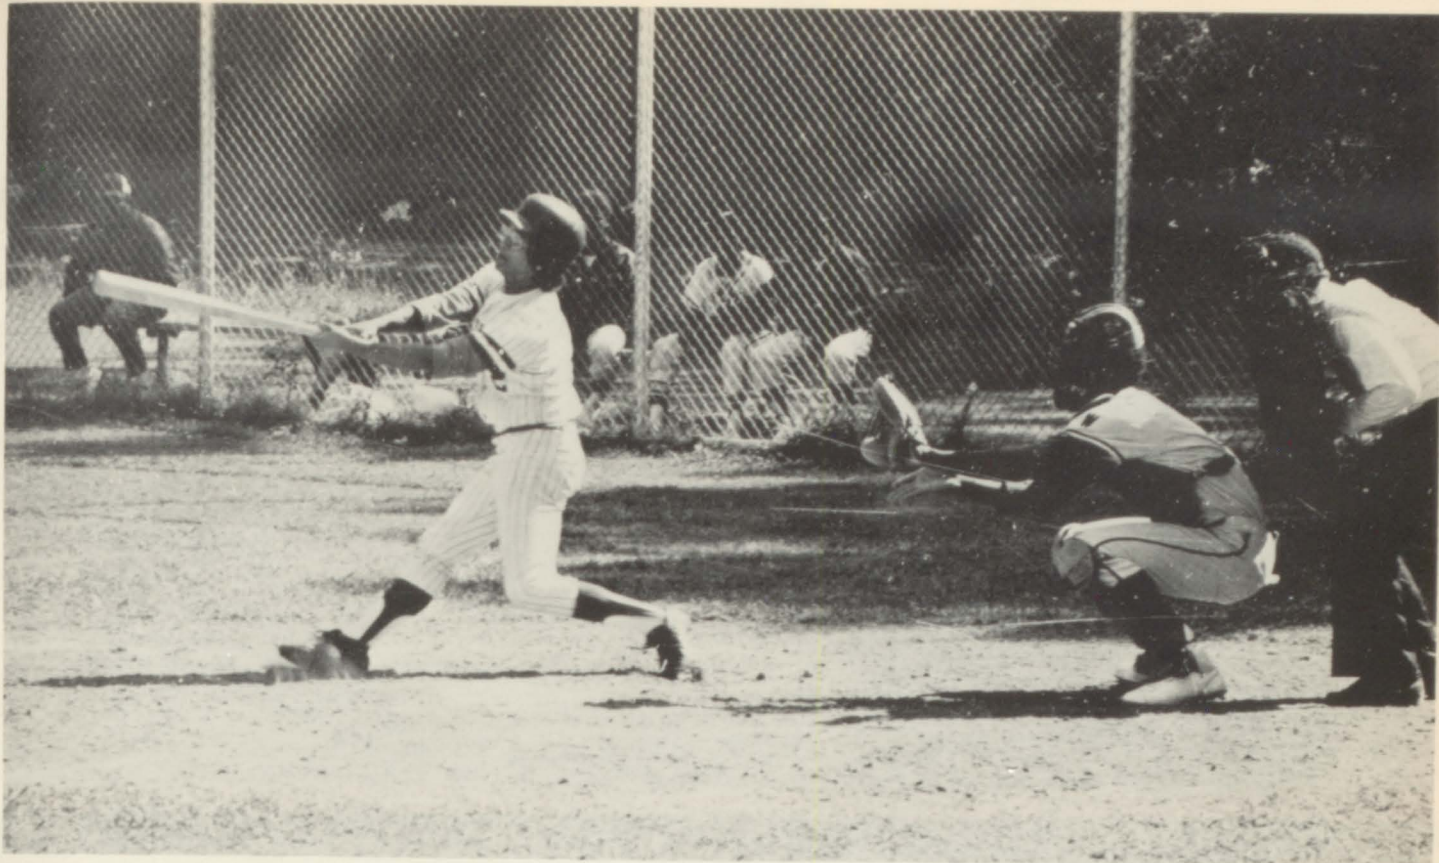

Haughton's Buccaneers pulled an upset, scoring a 5-4 victory in the next game. Webb Sentell and Bud Jackson got two hits apiece and Art Carmody blasted his second homerun of the year to lead the Jesuit batters.

The next three games exhibited the depth of the Mighty Flyers. The Jordan Street Bunch downed Webster, Northwood, and Webster, again, by scores of 7-1, 12-3, and 22-5.

Next came the Bossier Tourney. The Flyers ran into bad luck, losing to Byrd 5-2, beating Northwood 4-1, and losing to Haughton 6-1. Robert Pou's 350 foot home run against Northwood was one bright spot.

The next week was the most important one for the Jesuit diamondmen. Chris Sibley struck out 9, walked only 1, and gave up only 3 hits, in leading the Flyers to a 2-1 victory over Springhill. Chandler and Looney were responsible for batting in the crucial runs.

Jesuit ran into Minden again, who eked out a 3-2 win. The Tid's pitcher knocked in the winning run on a check-swing single to right field. Again Chandler provided the only run for the Flyers.

In the regular season finale, Chris Sibley struck out 8 North Caddo Rebels as the Flyers won 2-1. Chandler led the way with an RBI single.

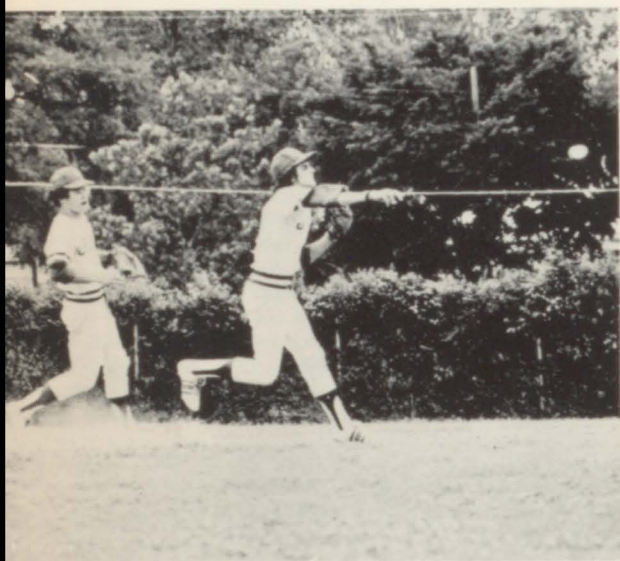

For the first playoff game against Caldwell Parish, Jesuit travelled to Columbia, La. Sibley struck out 6 Spartans and allowed only 4 hits as the Big Blue won 3-1. A crucial double play got the Flyers out of a last inning jam. After that, Sibley struck out the last batter to make his record 8-2. Chandler knocked in two important runs for the victorious Flyers.

Before a spirited crowd at Centenary Park, the Flyers took on the Leesville Wampus Cats in the quarter-finals. In the fourth inning, Looney singled and Carmody doubled, leaving runners on second and third. Right fielder Bert Ferris then laid down a beautiful squeeze bunt which scored both Looney and Carmody. In the bottom of the last inning, with the score 2-2, Carmody led off, getting to first base with the help of an error by Leesville's third baseman. Art then advanced to third base on Ferris sacrifice bunt. Les Jones fouled off a bunt with two strikes, making two outs. With the pressure on, Sibley stepped up to the plate and dramatically tagged the first pitch into left center field, scoring Carmody with the winning run.

In the State semi-finals, Jesuit took on the Ponchatoula Greenies at Centenary Park. The Flyers won 5-3 in a game deciding on overall team effort. Sibley upped his record to 10-2.

On May 10, Jesuit left for New Orleans where they were scheduled to play Redemptorist (N.O.) for the State I-AAA Baseball Championships. The Flyers' only run came when Frank Cicero, Jr. laid a perfect squeeze bunt to score Art Carmody from third base. They held on for a 1-0 victory and the State Championship. A big play occurred when a Ram player hit a single with a player on second to Chet Chandler. Chandler scooped the ball and pegged it to David Looney who made a great stab at home to retire the side. That night they returned to Shreveport a very tired, yet happy team.

Art Carmody, Webb Sentell, Chris Sibley, and Chet Chandler made the All-District team. David Looney, Chris Sibley and Chet Chandler made the All-City team. Chet Chandler and Webb Sentell made the All-State team and Coach Cicero was chosen as the All-City Coach of the Year.

Farewell

For the past 25 years this incredible lady and friend to all, Miss Mary Loretta, has dedicated her services to Jesuit High School. As school registrar, she has kept all the records from the incoming freshmen to the outgoing seniors. An important part of her job is to make sure that every graduating senior's records will arrive at the college of his choice. Every student will remember her for her friendliness and willingness to help others. We would like to say THANK YOU to MISS CAPLIS and hope for her the best of luck in the future.
